Crystal "Love" Flash Drive
22.00

Our 16 GB "Love" crystal flash is one of our most popular and elegant presentations for images to clients. It's a great choice for weddings and portraits.

Our 8GB bamboo flash drive is a great choice when selling images to clients. The slide top magnetic closure box is included with the drive. The drive is available with or without your logo. The logo is laser etched onto the drive or box. Artwork may be submitted through the ROES software when ordering drives. Artwork needs to be an EPS or AI file. **A minimum order of 25 is required when ordering the drive or box with your logo.**
