

# METAL PRINTS

## Metal prints

In-Lab Time 1-3 Business Days

One word: luminescence. Metal Prints from Diversified Lab infuse dyes directly into specially coated aluminum panels creating brilliant images that shine with radiant color. The coating acts as a durable barrier against dirt, scratches and harmful UV rays, thus eliminating the need for protective glass or framing. The surface of our metal prints beam with such vibrant color and visual depth that they appear nearly 3D.

Size	Price	1/2" Gatorfoam With Hook	3/4" Standout Block	Black Frame With Wire

METAL PRINTS

Multi Panel Metal prints

In-Lab Time 1-3 Business Days

The Multi Panel Metal prints are a great way to make a BIG impact and display large, panoramic images. This modern style display works well in many settings, commercial, university, and home. The metal posts allow for a very secure wall attachment.
