

BOUTIQUE PACKAGING

Boutique Packaging

In-Lab Time 1 Business Day

Our boutique packaging is a beautiful way to package and present prints to clients. Boutique Packaging includes a light gray box, an antique white ribbon or lightly textured black finish with a designer black and white striped ribbon, a clear print bag and white tissue paper. We cannot combine multiple orders for Boutique Packaging. Each DLS order will be Boutique Packaged individually. In order to minimize your cost, multiple sized prints will be packaged together in one box.
