Our handcrafted Presentation Boxes are a great way to showcase matted wedding, portrait and fine art images. This clamshell type box has been a favorite of artists looking to present their work in a simple, timeless and elegant manner.

The Presentation Box comes in 4 different sizes, 4x6 (holds up to 160 4x6 proofs), 8x8 with a 4x5 mat opening, 8x10 with a 5x7 mat opening and 11x14 with a 8x10 or 7x10 mat opening. The 8x8, 8x10 and 11x14 sizes may be ordered in two different box depths, the 1 3/4" will hold up to 12 matted prints and the 2 3/4" box will hold up to 20 matted prints. All mats are available with or without the V groove. The standard boxes are available in smoke linen cloth, oatmeal linen cloth and black faux leather. All presentation boxes are crafted with a double faced satin ribbon that helps to easily lift the mats out of the box. Custom colors may be ordered in any of our linen cloth options or Platinum, Sage Green, Navy and Scarlet in our Japanese book cloth options. Swatch fabrics may be ordered through the ROES software.
